- Senior Research Fellow

EXPERIENCE

Senior laboratory technician (1990 - 2000)

Junior researcher (2000-2004)

Researcher (2004-2005)

Senior researcher (2005 - present)

PERSONAL QUALITIES

Proactive, responsible, communicative, I constantly improve my professional level, actively use my practical work experience when solving all issues that arise for producers of agricultural products at all stages of their production. Always aimed at obtaining a positive result.

RESEARCH ACTIVITIES:

Responsible executor of scientific projects:

44.00.03.14.P To develop scientific and organizational approaches and market-oriented tools for testing, experimental production and consulting support for the transfer of innovative developments in the field of vegetable growing in the science-intensive vegetable market (2016-2018)

44.00.03.48.P. Develop scientific principles, a mechanism for introducing innovations in vegetable and melon growing into agro-industrial production and their scientific and consulting support (2018-2020)

41.02.00.17.P Scientific support of methodical and organizational measures for the implementation of innovative developments in the field of vegetable growing (2021-2023)

ACHIEVEMENT

Author of 69 scientific works, including 45 articles in professional Ukrainian publications, 9 methodological recommendations, 15 abstracts of conferences.

I have experience in public speaking - speaking with reports (scientific and practical conferences, symposia, round tables, field days, internships, agricultural exhibitions, radio appearances, television appearances, etc.).

I take an active part in collecting information of potential customers, their involvement in further cooperation in the sale of products.

I have experience in providing agro-consultations to producers in online and offline formats and agro-support for the cultivation of vegetable and melon crops.

I carry out work on cooperation with scientific and educational institutions, farms and associations of producers of agricultural products.

Since 2019, I am an agricultural expert-advisor (certificate #376) and I can carry out agricultural advisory activities for the provision of socially oriented advisory services on vegetable growing and crop cultivation technology.
